### PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

Asta Funding, Inc. (the “Company”) was unable to file its Quarterly Report on Form 10-Q for the quarter ended December 31, 2017 (the “Quarterly Report”) by the prescribed filing date due to the fact that (i) the Company is currently undergoing the process of restating certain of its previously issued financial statements to report its investment in Pegasus Funding, LLC (“Pegasus”) under the equity method, as disclosed by the Company in its Current Report on Form 8-K filed with the Securities and Exchange Commission (the “SEC”) on January 18, 2018 and (ii) as a result of such restatement, the Company has yet to file its Annual Report on Form 10-K for the fiscal year ended September 30, 2017 (the “Annual Report”), each of which has delayed completion of the financial statements for the first quarter of fiscal year 2018. The Company anticipates that it will file the Quarterly Report upon completion of the restatements referred to above and the filing of the Annual Report.

The Company’s expectations regarding the timing of the filing of the Quarterly Report and the Company’s belief with respect to anticipated changes from the results of operation from the corresponding period of the last fiscal year are forward-looking statements as defined in the Private Securities Litigation Reform Act of 1995, and actual events may differ materially from those contemplated by these forward-looking statements. These forward-looking statements are subject to certain risks and uncertainties, including the inability of the Company to complete the work necessary in order to file the Quarterly Report in the time frame that is anticipated. The Company undertakes no obligation to revise or update any forward-looking statements to reflect actual events or circumstances after the date hereof.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes  No

Annual Report on Form 10-K for the fiscal year ended September 30, 2017  
(Report)

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made. See disclosure under Part III above.

For the three months ended December 31, 2017, the Company will be presenting the results of operations of its structured settlement business as discontinued operations in accordance with ASC 205-20, *Results of Operations - Discontinued Operations*. This change in presentation is anticipated to result in a reduction to the Company’s revenues and expenses for the three months ended December 31, 2017, as compared to the corresponding period reported in the Company’s Quarterly Report on Form 10-Q for the quarter ended December 31, 2016, which was filed with the SEC on February 9, 2017 (the “Prior 10-Q”). In addition, as disclosed above, the Company is in the process of restating certain of its previously issued financial statements to report its investment in Pegasus under the equity method in accordance with accounting principles generally accepted in the United States. The Company anticipates that this restatement will result in a further reduction to revenues and expenses for the three months ended December 31, 2017, as compared to the corresponding period reported in the Prior 10-Q. However, neither the presentation of the Company’s structured settlement business as discontinued operations, nor the reporting of Pegasus under the equity method in connection with the Company’s planned restatements, is expected to have a material impact on total net income attributable to the Company.

On December 22, 2017, the 2017 Tax Cuts and Jobs Act (the “Tax Act”) was enacted into law. The Tax Act contains several key tax provisions that are expected to affect the Company, including a reduction of the corporate income tax rate to 21% effective January 1, 2018. The Company is required to recognize the effect of the tax law changes in the period of enactment, such as remeasuring its U.S. deferred tax assets and liabilities as well as reassessing the net realizability of its deferred tax assets and liabilities. The Company has not quantified the effect of the Tax Act on its consolidated financial statements, but the effect of this reduction in corporate tax rates and other provisions is expected to have a significant impact on the Company’s quarterly results for the three months ended December 31, 2017, including lower net deferred tax assets and increased income tax expense in the period of enactment.
